

EQUIPMENT

Our range includes demolition saws, concrete grinders, floor and brick saws, core bits and a comprehensive range of diamond saw blades to suit any masonry cutting job.

With the range of equipment, core bits and cutting wheels available, you won't find a better source than Active.

PETROL POWERED EQUIPMENT

To compliment our broad range of construction industry equipment, we stock generators, pumps, plate compactors, concrete vibrators, powerscreeds and trowel machines.
